55th Year

May 2008

Continuing on with our new found tradition of using a theme for our banquets, this year will be new and exciting with a Fiesta twist. We had fun making a homecoming float with that theme, and we are going to carry it over to our banquet. The banquet will be held on Saturday, June 28th at 7:00pm at the Shoshoni Senior Center. We will open the doors at 6:00 to register and start seating. The dinner will once again be provided by the Bull Restaurant.

We do ask that you have your reservations to us by June 14th so we can get an accurate number of dinners. The cost is still \$15 if you register by the 14th, and \$17.50 if it is after the 14th.

Once again, we will be opening the Senior Center on Saturday at 2:00pm for anyone interested in looking at the scrapbooks and year books we have there. We can also set up a guided tour for those of you who haven't seen the school's changes.

## **SHS SCHOLARSHIP FUND—A WORTHWHILE PROJECT!**

Our scholarship value remains at \$1200 over three years, with \$400 available the first year, renewable for a 2<sup>nd</sup> year (\$400), and a 3<sup>rd</sup> year (\$400) if recipient remains a full-time student in good standing. Our SHS Alumni Scholar Fund now exceeds \$14,000 thanks to the \$1200 in contributions following last year's newsletter and banquet, plus earned interest on our "laddered" CDs.

We plan to continue this level of funding, (or even increasing the annual award amount), but we'll need your continued support to make that possible. We really appreciate all donations sent in with your annual dues and banquet reservations, as well as all memorial gifts honoring friends and family associated with SHS any time of year. All such gifts are acknowledged to the donor, as well as to the family of the person so honored. Thanks so much for your help!

SHS Alumni Scholar Fund Committee:

Janis Haggerty '51, Shirley Anderson, '64, Linda Smith '79, Zelda Svilar '79.

[If you would like to serve on this committee (which provides applications, and select winners, please let one of us know. We'd be glad to have your help!]

## **Do We Need A Dance?**

It is that time of year that as President I have to start looking at our year and budget. One thing that has really stood out the last few years is the low turnout to the dance that follows the alumni banquet. The reality is that bands are very hard to come by (at least ones that our alumni would like to dance to). We have tried Disc Jockeys to be able to provide music for all generations. We have even booked bands a year in advance only to have them pull out. The dance is one of our biggest headaches the alumni board members have. The band and/or DJ's are costing roughly \$400-\$500 and participation has been around 20-40 people. What the board needs to know is if the dance should continue with rising costs, low band choice and low participation. The alumni board puts this on for you, the alumni. Costs are rising for the newsletter to be printed and mailed and for the banquet/dance to be put on. The \$5 dues should help offset these costs but only 100-200 people pay dues each year. We send out over 1000 newsletters each year. Our budget is going in the hole. We spend roughly \$1500-\$2000 a year and bring in only \$1000-\$1500 a year. That is going around \$500 a year in the hole. Some years we have people give extra donations, and we are grateful for that, but it still isn't helping us stay above ground. Some years are definitely better than others and now with gas prices, we are expecting the number to go down for our banquet. We need you, the alumni, to stand up and let us know your feelings! Should the dance go? Should we not send newsletters to those that don't pay dues? We will start emailing newsletters next year if you keep us up on your email addresses. These are questions we are pondering but would love to hear from you. We hope to hear from you and welcome your responses.

# The Yellowstone Drug Store Moves After Over 50 Years in Historic Building

The Yellowstone drug was a business that started back in 1910. It was originally in the old Shoshoni Motel and moved in the 1950's to another historical building which was its resting place until this year. The historical building we all knew as the drugstore was also home to a clothing store, a post office, and the First National Bank of Shoshoni.

Art and Doris Zube purchased the legendary "Best Malts and Shakes in Wyoming" store on March 1, 1977 from Leon Palmer. The Zube's also were the ones who started the familiar bumper sticker that announced "I had a malt at the Yellowstone Drug in Shoshoni, Wy". Art had a pharmacy there for a few years, but discontinued it "since there isn't a doctor in Shoshoni anyway." The store was then owned for many years by Marge Frymire.

Many alumni of Shoshoni could understand the popularity of this malt shop considering handfuls of them have worked there. During regular season in the 1980's the store would sell about 200 malts per day six days a week, sometimes making 400 in the summer tourist season. In the early 2000's the record was somewhere between 50,000-55,000 malts and shakes/year. The last known record for them in a day was 710.

The business, which is now owned by Rachael Goff, has relocated to what many will call the old DJ's, Dodies or TJ's restaurants. It is at 502 E. 2nd street.

## One Life Saved As One Is Lost

Darren Collins, son of SHS alumnus Jim Collins '84, lost his life due to a tragic case of meningitis, but his beating heart will live on through another.

Darren died March 1 at the Denver Children's Hospital after being rushed there from Cody on Feb. 28 with a severe case of meningitis. That same day, Garrett Ross, who is an 8-year-old boy from Colorado, found out he had irreversible coronary artery disease was also put in the hospital. Just hours after Darren passed away, his heart was beating inside Garrett.

Jim and Rebecca Jansen, Darren's mom, who now lives in Cheyenne were able to meet the parents of Garrett in the waiting room at the hospital.

Because of Darren's funeral, Jim wasn't able to meet Garrett until March 12. That was when Jim was able to feel his son's heart beating in Garrett's chest.

In addition to his heart, Darren donated six organs. His kidneys went to two young Colorado girls, and his liver and lungs also went to people in Colorado.

A wonderful and touching article can be found at <http://www.codyenterprise.com/articles/2008/03/17/news/news1.txt> with a full story of Darren Collins.

**\*\*\*We plan on this being the last year that we send out such a high volume of newsletters. To save on the cost to mail them, if anyone doesn't mind receiving the newsletter via email please let us know by sending your current email address on the reply form or email Jamie at [djmaddock@wyoming.com](mailto:djmaddock@wyoming.com)**

**\*\*\*We will also be having a silent auction from items donated to help with our costs. If anyone would like to donate an item to be auctioned off please contact one of us and the items will be displayed at the Senior Center and during the banquet.**

### Bob Berg and John Wasserburger Scholarship Winners

There were several recipients of scholarships this year thanks to the generosity of John Wasserburger. Alisa Frohbieter and Dustin Stark received the Bob Berg Scholarship, and John Wasserburger also gave one to Oaklee Anderson, Patricia Simcox, Ty McNamee, Chase McNamee, Jessie Olson, Zeb Fross, and Tobi Wasdworth. Congratulations to those individuals and we wish them the best of luck.

### Alumni Scholarship awarded to Jessie Olson

Jessie was very actively involved in Speech, school plays, band, art, NHS, and target in school. She plans to attend CWC this fall with a major in Elementary Education and go on to specialize in Special Education. She is the daughter of Tony '79 & Sande Olson.

## Greetings From The Corresponding Secretary.....

Well, another year has crept up on me and it is time again to gather information to send to all of our alumni who have helped make our community a great one. We are very lucky to have the opportunity to keep in touch with so many who have walked the halls of Shoshoni High School. I feel that I am getting into another era of my life as you can see with the news items this year, I have reached an age where I really don't know very many of the names of the students graduating. It is quite depressing. I do recognize a few names that I know the parents even though they are a decade ahead of me!

We are so happy this year to have found volunteers to help us continue to have the alumni association work. Jenniver James '04 and Kandis Robinson '07 have stepped up to help Teffany and I with this younger generation of whom we know so few. I am very grateful to them for their willingness to have the association continue. We are a very lucky community to be able to keep in touch with so many alumni from our school. And just because we found two people to help, doesn't mean we have it all under control. We could always use help from anyone who is interested!

Once again we are following a theme to help with costs. Last fall's homecoming theme was fiesta, so we took the decorations we had purchased for the alumni float and will use them for the banquet. The Shoshoni Recreation District has once again helped us by having classes for Shoshoni students to help make decorations for our dinner. Keep an eye out for the great job that they did when you are sitting at the tables!

Thanks, Shoshoni, for another great year and another great bunch of alumni that graduated. We wish all the best!

-Jamie [Voigt '94]Maddock
