

Shoshoni Alumni News

56th Year

May 2009

We are excited to announce that the new Shoshoni Recreation building is complete and we will be hosting the 2009 Alumni banquet and dance with the Brad Iams band at this building. The address is 97 S. Maple St. right on the edge of the Travis Park. It will be a new change and we hope everyone will welcome it. We are going to have a western theme in honor of our speaker Ray Maple, so cowboy up and come enjoy this year's banquet. We will be serving roast beef and chicken catered from the Bull Restaraunt. We will once again have a tour of the school and if anyone is interested we will meet at the Recreation Building at 5:00pm. Doors will open at 6:00 to start registering for the banquet. We hope to have a great turnout this year. We have also started having a silent auction during the dinner to help with alumni costs. If anyone is interested in donating items for this please let us know or bring the item with you.

Ray Maple to speak for Alumni Banquet

We are so pleased to announce that Ray Maple who graduated from Shoshoni in 1961 will be our speaker this year. Ray and his wife, Jackie, were designated official ambassadors by the county commissioners several years ago. They travel around attending cowboy shoots, rodeos and other events. When Ray took up cowboy shooting he was encouraged to personify or create a character from Western history to help pull the past into the present for audiences. They dress in early-day clothing portraying Hole-in-the-wall gang member Tom O'Day, who died in South Dakota in 1930, and his real-life acquaintance, the petite horsewoman Ella Smith, who was known as "Bronco Nell." For more information about Ray and his performances you can visit his website at tomodayproductions.com

Teachers honored by former student

USAF Lt. Colonel Joshua Jones, and also valedictorian of Shoshoni High School Class of 1987, sent Gail and Cyndi Moravek and Cathleen Galitz flags he flew in their honor December 22, 2008.

Gail and Cyndi Moravek and Cathleen Galitz received a most welcome late Christmas gift the first week in January.

Josh Jones, their former student and now an United States Air Force pilot sent them flags he flew in their honor on a sortie December 22, 2008.

According to documentation which accompanied the flags, they were flown "...on Afghanistan National Army Air Corp Mi-17 helicopter 571 on 22 December 2008. It departed from and returned to Kandahar Air Field with a crew of U.S. Air Force and Afghan Air Corps crewmembers. The combat sortie, USAF mission number 2008/AAC/01/356, was a field re-supply mission of ANA soldiers located at Forward Operating Base Shurabok, Helmand Province, Islamic Republic of Afghanistan."

In addition to the flags, Jones sent his teachers notes of appreciation which are as precious to them as the flags themselves. Teachers touch lives every day they are in the classroom, but because of the transient nature of the system, don't often find out the influence they have on students until much, much later, if at all. Galitz and both Moraveks commented on the preciousness of knowing they had help shape someone's life and character.

Galitz, who was Jones' speech coach received the following message:

"Thank you for your willingness to give of yourself and friendship. I am sure that you underestimate your impact in the world and I want you to know how much you contribute to and improve the minds and lives of those you serve. I've had countless teachers, but you stand out among them all for your desire and ability to see good and cultivate it. You nurtured my and my peers' self-worth, often in spite of ourselves.

You were instrumental in teaching me to think. I am convinced that it is a rare and valuable gift. Thank you.

I want you to have this flag. I flew it in honor of you and your loving commitment to improving the next generation.

Please know you are appreciated and loved.

With trust and love in Christ,

Josh"

The Moraveks' message said:

"I want to thank you for your example, mentorship, and friendship. The impact you have reaches far beyond what you probably think. Your professed and lived Christianity was formative to my character. You were key in teaching me to think. The foundation you gave me was and is central in my search for and understanding of Truth. My belief in and desire to serve Christ was built and strengthened by your skill in teaching analytical thought and your obvious desire to strengthen the minds of youth.

So, I want you to have this flag. I flew it on a sortie here in honor of your contribution to the next generation and beyond. You are in my thoughts and prayers. Your impact is measureless.

With love and trust in Christ,

Josh"

SHS SCHOLARSHIP FUND – A CONTINUING SUCCESS!

Our scholarship value remains at \$1200 over three years, with \$400 available the first year, renewable for a 2nd year (\$400), and a 3rd year (\$400) if recipient remains a full-time student in good standing. Our SHS Alumni Scholar Fund now exceeds \$16,700 thanks to the generous contribution of \$2,140 contributions following last year’s newsletter and banquet, plus earned interest on our “laddered” CDs. Sure glad that’s where it was all invested!!

We plan to continue this level of funding, (or even increasing the annual award amount), but we’ll need your continued support to make that possible. We really appreciate all donations sent in with your annual dues and banquet reservations, as well as all memorial gifts honoring friends and family associated with SHS any time of year. All such gifts are acknowledged to the donor, as well as to the family of the person so honored. Thanks so much for your help!

SHS Alumni Scholar Fund Committee:

Janis Haggerty’51, Shirley Anderson,’64, Linda Smith’79, Zelda Svilar’79.

[If you would like to serve on this committee (which provides applications, and select winners, please let one of us know. We’d be glad to have your help!]

Greetings From The Corresponding Secretary.....

What a year this has been. I never knew we would be this busy with a sixth grader, but with the new opportunities for 5th and 6th graders to play Jr. High sports, we have traveled all over the state! David's business did very well over the last year with us having over 40 employees. We have been fortunate enough to not have slowed down too much with the economy (yet) but won't be able to hire the college summer help we have in the past. We are excited to have Duane, Doug, and Dan working with us. the boys have a great time together. David still flies when he has a chance, but it is not as often as he would like. Tucker, our 3 year old, is about the only one who likes to fly with David. We can all tolerate it, but it isn't our passion. I stay busy with doing payroll and paperwork at Lysite, and pretty much volunteering the rest of my time! With 3 kids in school there is never an opportunity to not help out somewhere. We hope to hear that everyone is doing well. We are so grateful to all those who help support the alumni and hope we can continue to have the newsletter a success. I also hope with our attempts to email this newsletter to many will be something we can continue and I would love to have your input on how it works for you. We want to thank you again for all of your responses and all of your work to help us find addresses. We are a very fortunate school to be able to stay in contact with so many who have graduated from Shoshoni. We wish you the best of everything!
